Full Terms and Conditions for use of the Task Interleaving Dataset

Please read carefully the following terms and conditions and any accompanying documentation before you download and/or use the Task Interleaving Dataset and the accompanying Software (jointly referred to as the "Dataset"). By downloading and/or using the Dataset, you acknowledge that you have read these terms and conditions, understand them, and agree to be bound by them. If you do not agree with these terms and conditions, you must not download and/or use the Dataset. Any infringement of the terms of this agreement will automatically terminate your rights under this license.

Ownership / Licensees

The Dataset and the associated materials have been developed at the Swiss Federal Institute of Technology in Zurich (hereinafter "ETH"). Any copyright or patent right is owned by and proprietary material of the ETH (hereinafter "Licensor").
